SHORTHORN CENTENNIAL

...

*Monday, June 3rd, 1946*

THOS. E. WILSON, Owner

We  
Invite You  
To Our Shorthorns  
Centennial Sale . . .

Shorthorns 100 years of service to American agriculture finds them in the very enviable position of holding 3 world price records on steers and the record price for a bull of any beef breed. This certainly is an accomplishment that all breeders of Shorthorns may be justly proud, and furnishes ample evidence on the rewards of quality.

We are proud of the record of performance of Edellyn bred Shorthorns, for wherever they have gone they have been a good influence in the production of top cattle. Ample proof of this is the 1945 International Congress, recognized as the show window of the best that the breed produces, showed that no less than 70% of the cattle traced their ancestry to Edellyn, and included the grand champion and high selling bull, the reserve champion female, both bred and shown by Edellyn, and the high selling female was sired by an Edellyn bred bull.

The winning of the grand championship over all breeds at the Chicago Fat Stock show, by the Shorthorn steer Tomahawk was a great victory for our breed. Acknowledged by the competent judges as the greatest steer ever to win at Chicago he presented a pattern of perfection that could not be denied. The fact that he was sired by an Edellyn bred bull made us doubly happy. The grand slam victory of the get of Edellyn Campeon Mercury at Denver and Ft. Worth, the top selling bulls at the Canadian Sale sired by Edellyn Roman Mercury, and many others, bring joy to our breeding program.

Now we are selling another great offering from the same cow herd and the same great battery of bulls that have produced records on end among American Shorthorns. We recommend them very highly to you for we are confident that they will do for you, what their ancestors have done for us, and we sincerely hope that you will honor us with your presence at Shorthorns Centennial at Edellyn.

**CALROSSIE MERCURY** — Perth Champion in 1939, was sired by the 1933 Perth Champion. His first son won the same championship in 1941 and in turn sired the 1945 winner, one of the greatest feats in all Shorthorn history. The sons and daughters of Calrossie Mercury in America are demonstrating that this feat was no accident but the prepotency of a blood line that has no equal.

EDELLYN ROYAL LEADER 31st—Is out of a very choice daughter of the 1940 Perth Supreme Champion, and one of the tops of the Sims-Arnold Sale, and whose grand dam was one of the top selling females of the 1941 Miles-of-View Sale. This bull has been a favorite because he is so extremely smooth and level, deep bodied and so well covered with natural fleshing. **EDELLYN ROYAL LEADER 41ST**—One of the youngest calves in the Sale but so well backed by good MacGillivray breeding that he cannot fail to grow out into a real herd bull. His dam has produced some of our top heifers, one selling last year for \$1,675 and one for \$1,800 in 1943. The recent top of the Ft. Worth Sale, at \$2,000 was the Merryvale calf out of one of these heifers. This youngster's ancestry and his character and smoothness will add up to a good bull.

EDELLYN FLOSSY SHANE 6TH — As valuable a female as Edellyn has ever sold. Her full sister, retained in the herd, is the best female ever bred at Edellyn. Couple this with the fact that her dam is the only Collynie Royal Leader cow in America and she of Calrossies Famous Floss family, that produced the Reserve Champion bull at Perth this year, and being sired by Edellyn Royal Leader provides an open heifer the equal of which we have never sold.

**GARSON'S MYRTLE**—A sweet little heifer by a good grand son of Barrage, and a direct descendant of our grand old Phingask Myrtle 2nd. The grand dam was one of the tops in a Beath Sale and the dam is one of Sni-A-Bar Royal Barons best productions. She has been mated to Edellyn Royal Leader and with nearly a perfect color scheme behind her and nothing but low set smooth cattle. What an opportunity to get the calf that you have been looking for.

**ROSEWOOD 82ND**—Sired by a very excellent breeding son of the Perth Champion, and out of the same dam as Rosewood 80th, that sold in last year's sale for \$2,000 to Merryvale Farms. This heifer was not fitted for sale as she was intended for our own herd, and was substituted at the last moment. Backed by the best Struve breeding and sired by a bull that was out of an International first prize winner and bred to Edellyn Royal Leader, a real calf is in prospect. Feb. 18th.

Edellyn's 1945 Record Sale.  
Edellyn Royal Leader 14th Selling To C. M. Carraway & Sons

## *Will Johnson Says . . .*

### LET'S BE THERE

Above is a picture of the sale ring at Edellyn Farms' 20th annual sale. The sale was held on Monday, June 4th, last year. The attendance was the largest, the cattle were the best and the prices were the highest of all of Edellyn Farms sales. Will you be one of those who will sit at that sale ring on Monday, June 3rd, this year?

If you can arrange to attend and do come to this epochal auction sale, you will see, not only the top offering of Shorthorns ever sold from Edellyn, but the top offering from the Nation's greatest herds.

Since Calrossie Mercury's heifers have been bred to and have produced to the service of Edellyn Royal Leader and Edellyn Royal Leader's heifers have produced to the service of Calrossie Mercury and his sons, it has been demonstrated that the combining of the inherited factors of these two bulls is the most successful nick that has been observed to this date.

It is presumed that you have read and studied the rest of this catalog before you came to this, the last page. You cannot fail to have been impressed with the excellence of type shown by the many illustrations of cattle that will be in this sale and by pictures of their sires and, in many cases of their brothers and sisters. From the pedigrees, you have concluded, doubtless, that no better bred Shorthorns ever have been offered for sale. All that you need in order to confirm the good opinion that you have formed of these grand cattle is to see them. That opportunity and the opportunity to gain possession of these superb Shorthorns will be presented on June 3d. Let's all be there.

*Will Johnson*
